English Language Requirement

If your offer has an English Language condition included, this is expressed as an IELTS requirement. If you do not have the required IELTS for entry, our pre-session English (PSE) courses can help you achieve this level. PSE is not available for all programmes. Our admissions team will inform you if PSE is not valid for your chosen degree. In which case you would need to meet the programmes stated English Language requirements.

If you feel you require pre-session English, please [complete this form](#).

Whilst we will accept tests of English other than IELTS, providing they are at the correct level for entry, if you are intending to undertake an IELTS we would recommend that you undertake one of the new UKVI Secure English Language Test (SELT) Academic IELTS or Trinity College Test of English (UK only) - in light of recent changes made by the Home Office to English language provision.

Should you not meet the English language requirements for the course and need to undertake a pre-session English course, we will be unable to accept any other English test providers as evidence of your English language ability for entry onto the pre-session course.
